- Name
- Address
- Email address
- Phone number
- Payment Information

The Way We Use Information:

We use the information you provide about yourself when placing an order only to complete that order. We do not share this information with outside parties except to the extent necessary to complete that order.

We use the information you provide about someone else when placing an order only to ship the product and to confirm delivery. We do not share this information with outside parties except to the extent necessary to complete that order.

We use return email addresses to answer the email we receive and to distribute electronic marketing materials if you opt-in to receive such materials. Such addresses are not used for any other purpose and are not shared with outside parties.

We use non-identifying and aggregate information to better design our website and to share with those concerned. For example, we may release that X number of individuals visited a certain area on our website, or that Y number of men and Z number of women filled out our registration form, but we would not disclose anything that could be used to identify those individuals.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our Commitment to Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Our Commitment to Children's Privacy:

Protecting the privacy of the very young is especially important. For that reason, we never collect or maintain information at our website from those we actually know are under 13, and no part of our website is structured to attract anyone under 13.

How You Can Access or Correct Your Information

You can access all your personally identifiable information that we collect online and maintain by logging into your user account and clicking 'My Account.' We use this procedure to better safeguard your information.

You can correct factual errors in your personally identifiable information yourself, by accessing the 'My Account' portal. To protect your privacy and security, we will take reasonable steps to verify your identity before granting your access to this portal or permitting your corrections.
